Calling all Trainers! The Deadline is approaching; upgrade your TAA to the TAE with our one day upgrade program

Upgrade your TAA40104 Certificate IV in Training and Assessment to the new TAE40110 Certificate IV in Training and Assessment before the June 2013 deadline.

This Workshop is aimed at Trainers and Assessors working in an RTO or other training role who wish to upgrade to the new TAE40110 Cert IV TAA to meet the NQF deadline for the new qualification. This program has been designed as an intensive refresher and professional development program to ensure participants are fully up to date with the requirements of the new TAE Qualification as well as the changes within the VET sector.

Who should attend:
- All participants who hold the TAA40110 Certificate IV in Training and Assessment and require an upgrade.

Workshop Content:
- A world of change in VET – keeping and staying up to date
- Training Packages
- Learning Programs
- Training Adults
- Assessment theory revisited
- Recognition of Prior Learning

Quality resources are provided which serve as a useful reference point. Participants are provided with an RPL portfolio document to submit evidence to finalise their upgrade.

The Pivot Institute is one of Australia’s leading providers of the Certificate IV in Training and Assessment. We have amazing trainers, incredible facilities and the passion and enthusiasm to match. We will make sure you have the required skills and knowledge to ensure you are fully up to date and ready to go.

Terms and conditions: Payment is required prior to confirmation of booking. Cancellations must be given within 5 working days of the workshop for a full refund. Cancellations within 5 working days will not be refunded however registration can be transferred. Participants who have significant knowledge gap, not covered by this workshop, may be required to enroll in additional workshops. *Participants will be required to submit a portfolio to evidence skills and knowledge required for upgrade.
